**REUNION CENTER METROPOLITAN DISTRICT NO. 2
2024 BUDGET
SUMMARY OF SIGNIFICANT ASSUMPTIONS**

Services Provided

Reunion Center Metropolitan District No. 2 (the "District"), a quasi-municipal corporation and political subdivision of the State of Colorado was organized by Court Order and Decree of the District Court for Adams County on November 14, 2019, and is governed pursuant to provisions of the Colorado Special District Act, Title 32, Article I, Colorado Revised Statutes. The organization was approved by eligible electors of the District at an election held on November 5, 2019. The District was organized in conjunction with Reunion Center Metropolitan District Nos. 1, 3, 4 and 5.

At a special election of the eligible electors of the District on November 5, 2019, a majority of those qualified to vote voted in favor of certain ballot questions authorizing the issuance of indebtedness and imposition of taxes for the payment thereof, for the purpose of providing financing for the planning, design, acquisition, construction, installation, relocation, redevelopment, operations and maintenance of the public improvements within the District including streets, parks and recreation, water and wastewater facilities, transportation, mosquito control, safety protection, fire protection, television relay and translation, and security.

The District prepares its budget on the modified accrual basis of accounting in accordance with the requirements of Colorado Revised Statutes C.R.S. 29-1-105 using its best estimates as of the date of the budget hearing. These estimates are based on expected conditions and its expected course of actions. The assumptions disclosed herein are those that the District believes are significant to the budget. There will usually be differences between the budget and actual results, because events and circumstances frequently do not occur as expected, and those differences may be material.

Revenues

No revenues are anticipated for 2025.

Expenditures

No expenditures are anticipated for 2025.

Debt and Leases

The District has no outstanding debt nor any capital or operating leases.

Reserves

Emergency Reserve

TABOR requires local governments to establish an Emergency Reserve. This reserve must be at least 3% of fiscal year spending. Since no revenues are anticipated, an Emergency Reserve is not reflected in the District's budget.

This information is an integral part of the accompanying budget.
